Please note, you must have your eSoft Planner login information to follow these steps. The system underwent security upgrades since last season, so you might be prompted to change your password. If you cannot login, please email Celena Khatib, <u>membership@colonyswimclub.com</u>, to receive your login and have your password reset. Please keep this login information somewhere easy to reference as this will serve as access to your account with Colony moving forward.

Go to <u>www.colonyswimclub.com</u>, click on Members: Login to eSoft Planner Once on the eSoft Planner page, log in using your username and password.

STEP 1: If you see this welcome screen when you log on, continue with the steps listed below. If you do not see this screen, email or call the membership director.

First, click on My Account → My Profile Review the information listed. If you see any incorrect information, please update it here, including accurate birth dates. Birthdate information helps us with identification and future discounts. If you need to add a family member or grandparent, that will be done next. Click "update" at the bottom of the page. Your next screen will read "Membership Manager" with a subcategory "Swim Memberships Available for Enrollment." Please choose the appropriate membership category (Family Membership, Senior Couple Membership, Single Membership). *IMPORTANT* If you were a Single or Couple in 2022, you CANNOT choose Family for 2023. If you were a Family in 2022, and choose Single or Couple for 2023, this change cannot be undone.

Click "Sign Up."

Your next screen will read "Swim Membership Enrollment."

You will have the opportunity to remove any names that do not belong on your membership here (Single Members, no names should be listed here other than the active Single Member; Couple Members, only 2 spouses should be listed here; Family Memberships, only spouses, child(ren), and applicable grandparents should be listed here). Unselect any incorrect members listed (including nannies and non-dependent children).

Select Payment Options:

This payment total listed here should match the invoice you received in the mail with these instructions. If the invoice you received in the mail does not match what you see on this page, please contact <u>membership@colonyswimclub.com</u> to let us know of the discrepancy.

Additional Options (this section applicable only to Family Memberships):

If you will not have a nanny for the season, choose No.

If you plan to have a nanny(s) for the summer, pay special attention to this section. If you will have a nanny, choose "yes," choose 1 (your membership price will increase \$60), and list full name of provider(s). If provider name is unknown at this time, please type "Jane Doe" and we can update this information when the season begins.

Totals:

The total listed here should match the invoice you received in the mail (unless you added a nanny; in this case, \$60 will be added to your total). Your check should be written for this total, payable to Colony Swim Club. If your total here does not match the invoice you received in the mail, your mailed invoice will override what is listed in esoft planner. Email any questions to membership@colonyswimclub.com.
